WHEREAS, It has pleased the Great Architect of the Universe to remove from our midst our late brother, Louis

WHEREAS, Brother Lawsho by the grace of God has been permitted to live to a great old age, to-wis: ninety years, and sixty-five years of which time we have known him to be a consistent Free and Accepted Mason; therefore be it

Resolved, That San Marcos Lodge No. 342 and all true and accepted Masons, in the death of brother Law-she, realise the fact that death is the result of all mortality, but that the trust in God being the rock on which all true free and accepted Masons stand, the grave loses its victory, and mortality clothes itself in a robe of immortality.

Resolved. That the example set by brother Lawshe as a Mason and Christian be emulated by all true Masons; so that when the evening shades of life fall upon us, and the tender cord is severed, the crystal bars may be removed from the gates of Paradise that his spirit may enter there.

Resolved. That San Marous Lodge No. 342, of Free and accepted Masons extend their heartfelt sympathy to the family and friends of our deceased

Resolved, That these resolutions be spread upon the records of the Lodge and a copy thereof be sent to the family of the deceased brother.
